MEETING GROUP ON DAY ONE:

If for any reason you are delayed, you will be responsible to catch up with the group. It is unfair to delay the entire group. We do suggest arriving in the area of our tour locations the day before our start date.

A detailed data sheet will be available for each workshop that will include time and location information.

Although most all of the workshops are designed for people of average fitness, be aware that most all of the photography workshops will be taking place outdoors and will require a certain amount of walking. Please make sure that you are up to the level of activity for the workshop that you plan to attend. If you have any questions about the activity level of a certain workshop, please inquire prior to signing up for the event.
